DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 8/9/2010 has been entered.

Information Disclosure Statement

2. One (1) information disclosure statement (IDS) was received on 8/9/2010. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

3. Claims 1-13 are allowed.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

None of the prior art of record, either alone or in combination, including the references listed in the information disclosure statement filed on 8/9/2010 suggest or teach inverting an annular, planar clip with radially outward pointing tines to form a clip with radially inward pointing tines and subsequently heating the clip in its inverted configuration to cause the clip to become austenitic. The prior art further neither teach nor suggest providing a clip precursor comprising tines that point radially inward, compressing the clip precursor such that the tines are pushed closer together, austenitizing the clip, and quenching the clip precursor to retain the austenite and produce a clip.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vanessa Velasquez whose telephone number is 571-270-3587. The examiner can normally be reached on Monday-Friday 9:00 AM-6:00 PM ET.
